

Job Search

TOP FIVE TO-DOs

- Create a search objective: Determine what kind of jobs you are seeking by title.
- Develop your resume: This is what sells you! It's your commercial! The MSC Job Support Group can help you with this.
- Decide on target companies: Develop a list of target companies. Can you relocate?
- Get the word out! Network via email, telephone, meetings with relatives, friends, and neighbors, and through network events. Networking is the *number one method* to landing that new position.
- Pray: Ask God to open opportunities for you. Ask Him to help you see those opportunities. Ask Him to give you energy and strength to get through this season. Prayer works!

The MSC Job Support Group is here to help you get started! Join us on Wednesdays at 7:00 pm.
