

MOPPETS Caregiver

The purpose of Mothers of Preschoolers (MOPS) is to encourage, equip, and develop every mother of preschoolers to realize her potential as a woman, a mother, and leader in the name of Jesus Christ.

Volunteers are invited to provide childcare during the program.

"It is good to be a part of a child's life and to see the excitement and joy when they feel loved and cared for. The love that they give so freely fills your soul." ~ MOPPETS Caregiver

Why is this such a big deal? When moms know that their little ones are being loved on and cared for, they're able to relax and fully participate in MOPS . . . which allows them to grow in their relationships with their church family and God. Many MOPS participants make life-long, life-changing connections. MOPPETS Caregivers play a significant role in that process!

What's the commitment? We're looking for volunteers to serve once or twice each month (first and third Fridays, 9:10-11:45 am; September-May). Each caregiver is also listed on a substitution list. Safe sanctuary training is provided. The most important commitment is to provide loving, Christian care to the children. *The craft and curriculum is provided by our MOPPETS Coordinator.*
